Stewart Signs
America's Premier Sign Company
Limited Product Warranty

Definition of Warranty Coverage:

Stewart Signs (the "Company") expressly warrants to the original purchaser ("You" or "Buyer" or "Owner" or "Customer") that, for a period of five (5) years from the date of shipment (the "Warranty Period"), the electronic displays and the associated company products (the "Product") will be reasonably free of defects in materials and workmanship. During the Limited Warranty Period the Company will, at its discretion, repair or replace any defective covered product. This Limited Warranty only applies to the Company's Product if installed, used, and maintained in the manner recommended by Company and this Limited Warranty is conditioned upon compliance with all such instructions.

Sign Structure and Sign Face: Under normal use and service should the sign structure or identification/changeable copy portion of the sign malfunction DURING THE LIFE OF THE SIGN due to defects in workmanship or materials, with the exception of lamps and ballasts, the Company will, at its option, repair or replace any defective materials. Vandalism to Sign Faces: This limited warranty covers polycarbonate faces against breakage due to vandalism DURING THE LIFE OF THE SIGN. Warranty protection does not extend to these surfaces if damaged by gunshots, or when damaged coincident with the damage to the sign cabinet.

Failed electronic parts or assemblies will be repaired, exchanged or replaced, at the discretion of the Company. Telephone support is provided as needed during the warranty period. Removing and reinstalling repaired or replacement parts are the responsibility of the owner. Replacement or repaired parts are warranted to be free from defects in material or workmanship for ninety (90) days or, for the remainder of the Limited Warranty Period of the Product they are replacing or in which they are installed, whichever is longer.

The Company will repair failed LED pixels, if greater than 0.5% (one-half of one percent) of the total number of pixels in the sign have failed in one (1) year, provided the sign is installed with the recommended ventilation system for its location. The definition of pixel failure is when all LED's in the pixel will no longer emit light. Pixel repair is performed at the Company Repair Center. Owner bears the responsibility of transporting Product to Company's Repair Center. As known within the Sign Industry all LEDs degrade and produce less light as they age. Eventually the LEDs will require replacement even though the LEDs will still emit light. This Warranty does not cover normal LED degradation.

The Company will make reasonable attempts to repair failed radio components. The Company defines radio component failure as a radio component that does not transmit or receive data properly due to a manufacturer's defect. If the Company, at its discretion, determines a repair is unreasonable, replacement is not included in this Warranty and the third-party manufacturer's warranty will apply. Local site interference or obstructions may cause intermittent or complete failure of radio performance. This Warranty does not include the provision of replacement communication methods (such as wire, fiber optic cable, conduit, trenching or other solutions) for the purpose of overcoming local site interference. The Warranty does not cover electrical work external to the equipment, accessories, alterations, attachments, or other devices furnished by the Company. Batteries and metallic or fiber optic data cables are not covered.

Eligibility and Warranty Period:

This Limited Warranty is not transferable. Service under this Limited Warranty begins immediately upon shipment to the Customer or the Customer's Authorized Reseller. Unless otherwise stated the Limited Warranty period is 5 years.

Customer Obligations:

Failure by the Customer to properly maintain the Product, including but not limited to filters and the ventilation/air conditioning systems, will void coverage for affected components. The Customer shall notify the Company immediately of equipment failure and allow the Company full and free access to the Product when required. Waiver of liability or other restriction shall not be imposed as a site access requirement. The Customer is responsible for all costs and management oversight associated with providing the Company access to the Product, providing the necessary tools, machines, communication facilities and other equipment at no charge.

Exclusions and Restrictions:

The Company reserves the right to restrict service, limit replacement parts or invalidate this Limited Warranty to Customers whose account balance is past due. This Limited Warranty specifically excludes any on-site labor required to service the covered Product including diagnosis, removal and installation of parts or products. Any on-site service required by the Customer of Company technicians or a local Authorized Service Provider is billable to the customer based on an agreed upon written quote.

This Limited Warranty does not apply to software. Software is covered by a separate Agreement, which appears in the seller's software license agreement. This Limited Warranty does not apply to any third-party hardware products or software, even if packaged or sold with the Company's Product. Manufacturers, suppliers, or publishers, other than the Company, may provide their own warranties to the end-user purchaser, but the Company, in so far as permitted by law, provides their products "as-is". This includes, but is not limited to, electronic ballasts and radio components.

This Limited Warranty specifically does not cover the following:

1. Third-party communications devices such as wireless devices and modems, except that the Company will facilitate the return of such components to the manufacturer if they are still within the manufacturer's warranty;
2. Product that has been moved from its original installation location or is mounted in a mobile structure;
3. Cosmetic damage to the product (including but not limited to scratches, dents and broken plastic that do not otherwise affect the functionality of the Product or materially impair its use);
4. Temperature sensors will register results +/- 5 degrees given local environmental factors such as direct sunlight, distance from concrete or asphalt, etc.; results are not guaranteed or covered under this Limited Warranty.
5. Recovery or transfer of any data or software stored on the Product not originally installed on the Product by the Company.

This Limited Warranty specifically does not cover conditions, defects or damage caused by or resulting from the following:

1. Defects caused by non-compliance with Company's instruction manual or any other such instructions;
2. Defects caused by unreasonable or unintended use of Product, improper or unauthorized handling, accident, omission, neglect, vandalism (unless otherwise noted in this Warranty), misuse, physical abuse, installation, use and/or fabrication, and maintenance of the Product by any party other than the Company;
3. Damage not resulting from manufacturing defects that occur while the Product is in the Owner's control and/or possession;
4. Extreme physical or electrical stress or interference; environmental conditions beyond the Company' control such as man-made or naturally occurring corrosives and metallic pollutants; normal wear and tear; inadequate, improper, or surges of electrical power; lightning, floods, fire, acts of God, war, terrorism, or other external causes, including Force Majeure.
5. Unauthorized modification including installation of third-party software on the Product.
6. Product modification or service by anyone other than: (a) The Company, (b) a Company Authorized Service Provider, or (c) Customer's own installation of Company approved parts with instruction from the Company.
7. Computer viruses, Trojan horses, worms, self-replicating code or like destructive code which was not included in the Product by the Company.
8. Products installed with known or visible manufacturing defects at the time of installation.

All items returned to The Company must have a Return Materials Authorization (RMA) number, available by using the contact information below. Items received without an RMA number will not be processed and returned to the Customer at their expense. For exchange items, the number is included with the shipment of the exchange unit. The defective part must be returned to the Company or the Customer will be charged the price of a replacement part.

The Company will provide and be responsible for the cost of shipping parts from The Company to the Customer, with the exception of sign faces replaced due to vandalism. For shipments weighing less than 30 lbs, the Company will ship in the US/Canada using 2nd day delivery. For shipments over 30 lbs, or outside the US/Canada, the Company will ship out using ground delivery or service of its choosing. Expedited delivery is available to the Customer at their expense. The Customer will provide and be responsible for the cost of shipping parts to The Company.

Service to a damaged or malfunctioning sign which has not been ordered or authorized by the Company' Customer Support Department is not only not covered under this warranty, but also will immediately and automatically invalidate this warranty. Removing and reinstalling any and all repaired or replacement parts are the responsibility of the owner.

Warranty claims must be registered with the Company within thirty (30) days of damage or malfunction. To register a claim the Customer must contact the Company at the location specified below, providing your name and any other required contact information, a description of the Product, date of Product purchase, and nature of the defect, which may include, but is not limited to, written descriptions, photographs, video, defective parts or other evidence. The Company reserves the right to require proof of original purchase (e.g. paid invoice, receipt) and to visit the site of the installation or to require documentation of the claim before assuming any responsibility under the provisions of this warranty.

Title to the product passes to the buyer upon our delivery to the freight carrier. Loss or damage to the product when in possession of the freight carrier is the responsibility of the customer and the freight carrier is not covered by this warranty. Upon delivery, incidental blemishes and scratches are considered normal unless they can be viewed from 20 feet or more under normal use conditions. The Company assumes no liability for damage caused by careless handling or poor installation except for work completed by employees or agents of The Company. In the event the sign is damaged during shipping it is the responsibility of the buyer to refuse delivery causing the sign to be returned to the manufacturer for repair.

Any information or suggestion by the Company with respect to the Product concerning applications, specifications or compliance with codes and standards is provided solely for your convenient reference and are made without any representation as to accuracy or suitability. You must verify and test the suitability of any information with respect to the Product for your specific application.

THE LIMITED WARRANTIES SET FORTH HEREIN ARE THE ONLY WARRANTIES MADE BY COMPANY IN CONNECTION WITH THE PRODUCT. COMPANY CAN NOT AND DOES NOT MAKE ANY IMPLIED OR EXPRESS WARRANTIES WITH RESPECT TO THE PRODUCT, AND DISCLAIMS ALL OTHER WARRANTIES, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. COMPANY'S SOLE OBLIGATION UNDER THIS WARRANTY SHALL BE TO REPAIR OR REPLACE MALFUNCTIONING OR DEFECTIVE PARTS OF THE PRODUCT. BUYER ASSUMES ALL RISK WHATSOEVER AS TO THE RESULT OF THE USE OF THE PRODUCT PURCHASED, WHETHER USED SINGULARLY OR IN COMBINATION WITH ANY OTHER PRODUCTS OR SUBSTANCES.

Limitation of Liability

No claim by Buyer of any kind, including claims for indemnification, shall be greater in amount than the purchase price of the Product with respect to which damages are claimed. IN NO EVENT SHALL COMPANY BE LIABLE TO BUYER IN TORT, CONTRACT OR OTHERWISE, FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL, RELIANCE, PUNITIVE OR EXEMPLARY DAMAGES, OR FOR LOSS OF PROFIT, REVENUE OR USE, IN CONNECTION WITH, ARISING OUT OF, OR AS A RESULT OF, THE SALE, DELIVERY, SERVICING, USE OR LOSS OF USE OF THE PRODUCT SOLD HEREUNDER, OR FOR ANY LIABILITY THAT BUYER HAS TO ANY THIRD PARTY WITH RESPECT THERETO.
